

# 15<sup>th</sup> ESH Congress of Clinical Hypnosis and Research

**BUILDING BRIDGES AND TRAVELLING CROSSROADS**

**26–29 August, 2020 Basel, Switzerland**

Designed to facilitate sharing of therapeutic approaches and the latest research discoveries, this Congress will contribute to the use of hypnosis in the process of healing.

Participate and enrich your knowledge and techniques by attending a large choice of state-of-the-art presentations and activities in English, French and German. Then bring these pertinent discoveries back to help your patients and to allow you to enjoy, even more, your professional activities.

It will be held at the modern Congress Center of Basel, Switzerland. This lively city profits from a unique situation at the crossroads of cultures and languages contributing to make you feel welcome and at ease during your stay, whether you come from near or from far.

The Swiss organizing committee and the ESH Board are looking forward to meeting you in 2020.
